STEP 3 Other things to consider

Limits

This policy has restrictions that limit your cover for certain events and items, for example, limits apply to some items as outlined in the table under "How we will pay", "Contents". For example, for jewellery and watches, \$1,000 per item and in total \$1,500. To find out these limits you need to read the PDS and other relevant policy documentation.

Excesses

If you make a claim, the excess is the amount you may have to pay for each incident. A number of different excesses may apply in respect to this policy, for example the excess shown on your policy schedule. You may be able to increase these excesses to lower your premium. For more detail, please read the PDS and other policy documentation.

Legal liability

This policy covers your legal liability when you are found to be legally responsible for damage or personal injury to a third party or their property. It is limited to \$10 million. You should read the PDS carefully to determine the extent of this cover.

Cooling off period

If you decide you don't want this policy within 21 days of it being issued and you haven't made a claim, you can cancel it and receive a refund.

Maximum level of cover offered by insurers

Insurers offer different maximum levels of cover in the event of loss or destruction of your contents including where:

- you set the maximum level of cover and your payout is limited to that amount* (sum insured).
- you set the maximum level of cover and the insurer may provide you with some agreed extra cover above that amount (Sum insured plus safety net).

*the insurer may provide some cover above this amount.

When working out how much cover you need for your contents, ensure that you value your possessions correctly. To do this you could start by listing all your contents and working out how much it will cost to replace them.

A failure to adequately insure your contents for their replacement value may result in underinsurance.

Warning: this Key Facts Sheet sets out some of the conditions, exclusions and limits in respect to this policy. You should read the PDS and all policy documentation for all the conditions, exclusions and limitations of this policy that limit or exclude cover
