

# Application form – Ultra and Platinum

Thanks for choosing EBM RentCover! Before applying for cover, we want to make sure you have all the information you need at your fingertips. Please read all the information below then fill in and submit both page one and two of this application form to EBM RentCover.

## Policy criteria...

We want to make sure you are being provided a policy that is appropriate for your investment property. To help rule out potential issues with cover, simply mark True or False to the below statements.

- › The property is a standard residential rental property.  True  False
- › The property is professionally managed by a licensed real estate professional.  True  False
- › The landlord does not live in the property.  True  False
- › The property is (or will soon be) rented to tenants under one fixed lease agreement.  True  False

If you select **RentCover Ultra** on page two of this application form, you must also agree to the following:

- › The property does not need building cover.  True  False

If you select **RentCover Platinum** on page two of this application form, you must also agree to the following:

- › The property is not a strata-type building that requires body-corporate (or similar) insurance.  True  False

## Before taking out cover, you should know...

- › If there is an existing problem which has already occurred or is currently occurring (e.g. pre-existing damage to the building, a known natural disaster or any other insurable event), you may not be covered in the event of a claim.
- › If you have a tenant in the property and the rent is not currently up to date, you may not be covered for losses related to a tenant.
- › If you have a tenant in the property and a bond equivalent to a minimum of four weeks rental value is not held on the property, it may alter the outcome if you need to make a claim for losses related to a tenant. If there is no existing tenant, a bond equivalent to a minimum of four weeks rental value must be collected prior to a tenant occupying the property.
- › There can only be a single lease in place – which must meet legislative requirements – and the person(s) named on the lease must reside in the property. If this is not the case, you may not be covered for losses related to a tenant.

## Our privacy policy

We are committed to protecting your privacy. We use the information you provide to advise about and assist with your insurance needs. We may provide your information to an insurance company that provides insurance terms to you or the companies that deal with your insurance claim (such as investigators, loss assessors, claims administrators, repairers, suppliers, lawyers and recovery agents). We do not trade, rent or sell your information.

If we ask you questions that are relevant to our decision to insure you and on what terms, you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions. You have this duty until we agree to insure you.

## If you do not tell us something

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both. If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.
